Announcement and Call for Papers

Spring Meeting of the Southeastern Estuarine
Research Society

March 17 - 19, 1988

Holiday Inn, Folly Beach, S.C.

It's that time again! Another chapter in the continuing saga of SEERS is about to unfold. This time we are meeting at Folly Beach, South Carolina which is near Charleston.

Presidents Message

The spring meeting this year will be held oceanfront at beautiful downtown Folly Beach. I urge all of you to make plans to attend and celebrate the coming of spring. All of our meetings, I think, are important and productive, however the spring ones seem to be more so in that many get presentations ready while in winter hibernation, and we do our electing at this time. This year we will select our program chairman for 1988-1990 and the president for 1990-1992.

We hope to have a couple of post-meeting excursions to see some mariculture activities. So make plans and get your reservations on the way. See you in March. - Vic Burrell Jr.

PAPERS

If you would like to present an oral or poster paper, please complete the enclosed form and return it to Kris Thoemke by FEBRUARY 12. Papers will be scheduled every 20 minutes. This gives each speaker 15 minutes for the presentation and 5 minutes for Questions and Answers. Approximately 25 papers will be scheduled on a first-come, first-serve basis. There will be room for 10 poster papers. As usual, we will have an award for the best student paper (oral presentation) and the best poster (open to everyone). These awards will be presented at the Friday evening banquet.

Registration

Registration will be \$25.00. This includes the Friday evening banquet. You pay when you register for the meeting at the Holiday Inn.

Lodging

Refer to the enclosed registration information if you plan to stay at the Holiday Inn. The Pelican Cove RV Resort is located 1/2 mile from the meeting site. For more information call (803) 588-2072.

Directions

The Holiday Inn is located on the beach at the end of Folly Road (Highway 171). Folly Road intersects with US 17 about 1 mile south of the Ashley River Bridge.
